

## What's Happening

### H.D. Cartwright Leadership Days

We are very excited to have been in contact with Nancy Hamilton, a teacher at H.D. Cartwright, the Junior High School that shares the parking lot with the community center. This term she is teaching a Recreational Leadership course, and as part of their learning, they will be hosting a variety of exciting gym classes for us! They are very excited about the experience, as our we - I think it will be a really cool opportunity to build cross-age relationships, boost self-confidence, and emulate the behaviours of some positive role-models!

### Swimming

Swimming will start after March Break. Swimming permission forms will be going home - along with an ability form, that will need to be returned prior to the break. Just a reminder that all swimming volunteers will need to have a police clearance on file to be able to help in the change rooms.

### Fundraising Update

Thank you to all of our families who have participated in the recent Chocolate Fundraiser - we were able to raise just over \$700. This money will be used to subsidize the cost of swimming lessons - making the lessons \$10 per family instead of \$33.75 per child.

## **Teacher's Corner**

With the arrival of March, I am hopeful for some warmer weather and to be officially out of the deep freeze we've been under for what felt like the entire month of February! Luckily, we made a new friend in Artist Alice - who kept us busy all month long. She paid us a weekly visit, with a different task in mind every week - from exploring shades, mixing tints, creating textures, and then putting it all together to make something completely new.

Throughout the month of March, we will be exploring our community - and all of its important members (which is - everyone!). Everyone has a role to play in making our community the place that it is, kind of like our classroom!

We will end our month with a field trip to the Edgemont Fire Station. This field trip will be two-fold, as we will be taking public transit to get there, an integral part of our community. More details will go home soon.

March also brings report cards - with one going home before our Parent-Teacher Conferences on March 20th and 21st. I'll send out an email sign-up list in the coming weeks to schedule you in for some time with me! - I'll just remind you, if at any time you have any questions or concerns, don't hesitate to reach out!

- Lindsay
